

# Damiano *Marasciuolo*

---

Damiano Marasciuolo trained at the *Niccolò Piccinni* Conservatory in Bari, furthering his studies at the *Prins Claus Conservatorium* in Groningen and currently at the *Luigi Cherubini* Conservatory in Florence. First Prize winner at the *Premio Musicale Internazionale Città di Foggia* and First Prize in category at the national *Igor Stravinsky* competition, he has performed in recital across Italy and abroad, including the *Fundación Euthérpe* in León and the *Salone delle Adunanze* of the *Accademia delle Arti e del Disegno* in Florence. His approach to the repertoire is driven by genuine curiosity: alongside the great masterworks of the piano, he seeks out and champions unjustly neglected works, restoring to them the voice they deserve.
